Honorable Members of the Court:

Re: Professional Rules of Conduct, Rule 8.4(g)

This letter is in regards to the call for public comment of the proposed new rule – Rule 8.4(g) of the Professional Rules of Conduct for Montana Attorneys. As a concerned citizen and a business owner I submit this request that you reject this rule. Certainly religious freedom could easily be compromised. Also, government involvement in what a person can and cannot believe has gone too far. It is very subjective as to whether a person is being discriminatory and could easily be abused by those who have their own agenda.

Thank you for your consideration.
